Re: United States v. Brandon Seegers, et al. 19 Cr. 686 (CM) - Request for adjournment
of sentencing

Dear Judge McMahon:

I write on behalf of all defense counsel in this matter to request an adjournment of sentencing. This is the first request for an adjournment of sentencing in this matter. Sentencing is scheduled for July 14, 2021, at 2:00p.m. We have not received the final P.S.R. in this matter. The final P.S.R., which contains Probation's sentencing recommendation is critical prior to the submission of sentencing letters. We have spoken with the government regarding an adjournment, and their preference is to have a short adjournment, such that the sentencing date remains in July.

Accordingly, we request an adjournment of sentencing in this matter.

Respectfully Submitted,

Karloff C. Commissiong
